

FUNDRAISING SPONSORSHIP

MACEDONIAN CALL FOR HELP TO MINISTRIES/CHURCHES

AMOS' OGBOMOSO DENTAL CENTRE APPEAL FUND

25TH March 2011.

Beloved,

Special greetings in the precious name of our Lord and Saviour Jesus Christ.

Can you please help sponsor a 10 mile walk from Ashton under-line to Manchester City Centre by Rev (Dr) Amos Olatunde Ayanlere on the 8th of May 2011 to raise £4,000 toward the purchase of New Dental Equipments and Materials for a third world Dental Centre (Ogbomoso Baptist Hospital Dental Centre) in Nigeria.

Beloved, any amount from you toward this project is highly valued. We do not despise the Pennies or the Pound Sterlings either. Every amount counts towards reaching our set goal.

This Dental Centre serves thousands of poor farmers and their families who cannot afford the very expensive cost of dental treatment in the few Private Dental Practices in the region. Please help us to replace as many as possible of the broken down equipments and run out consumable materials in the Dental Centre so that it can be restored to its former full running state when it was financed by foreign Missionaries. There are Dentists employed to work in the Centre but they are handicapped by lack of working equipments and materials to work with so innocent patients are the ones directly suffering from this.

Please note that all moneys realized from this walk must get to us latest 1st of June i.e. exactly a month after the walk. All money raised goes solely to the purchase of the equipments and Dental materials and not for anything else. The progress of the fundraising up to the delivery of the Equipments to the Hospital Director in October 2011 can be monitored on our web site - www.estmos.org

Attached to this letter is a sponsorship form. Please fill in the form and attach to the form your cheque for the sponsorship and please send them back to us at: **8 PAPRIKA CLOSE, OPENSHAW, MANCHESTER. M11 2LS**. However, if you prefer to electronically transfer the money to our account, please reference you transfer with the name of your ministry and still fill in the form and put a circle round No. 2 at the bottom of the sponsorship form and send it back to us **at the address written in red ink above.**

Thank you very much for answering swiftly to our Macedonian call. The Lord God all mighty will answer swiftly to your call too in times of your need and what so ever you have made happen through this to the poor and the needy in the area the Dental Centre serves back in Nigeria; I sincerely pray that the Lord will break the backbone of poverty in your ministry and usher you and the work of your ministry to supernatural wealth and prosperity financially and spiritually.

Finally, thank you very much for being there for us when we needed you the most. God bless you and your ministry richly.

Yours Sincerely

Rev. (Dr) Amos O. Ayanlere
